# WELCOME

H.E Laila Rahhall is an entrepreneur, philanthropist, great humanitarian, and peace-loving personality whose serves and is internationally recognized by world top companies and organizations. She is a business woman who travels the globe as a stress and resilience expert. She has helped train nearly a thousand professionals on how to manage their stress by building a set of specific skills designed to increase personal resilience.

Being a Motivational Speaker on finding life's purpose, happiness, and resilience, she guides woman to find their passion and purpose of life. Her goal is to help people overcome their mindset of fear and practice resiliency so they can walk in their true calling and do the work they love. She has also implemented these same strategy with woman empowerment. H.E Laila Rahhall believes that Leaders are made, not born, and women have the ability to lead at high levels. Being the President of I Am Africa platform, she is an epitome of Inspiration for youth, a renowned woman working for women empowerment, who has achieved great heights in business. Also, a person who is incredibly upbeat and vivacious and who inspires all ladies. She is a modest businesswoman with a kind heart. She works for humanity, youth, children of poverty, and also open doors for many Business developments.

H.E Laila Rahhall is the President and Founder of Women Business Circle. At WBC, she believes that success and happiness can coexist. And everything is made of love. Connecting with other women who are breaking barriers, leading with joy, and creating their own paths to happiness is her basic mission. H.E Laila Rahhall is a global leader and blessed with intellect, character and humility. She invites all women to her community and discover how to thrive, not just survive, on the road to success.

# ABOUT:

H.E Laila Rahhall was born with the capacity to be strong. No matter how beaten down or weak a she felt, she was able to build her mental, identity, emotional, and relational strengths that had the power to exercise her talents, pursue her interests, and express her opinions, at home, in her community, and in her workplace. Thus, she initially founded Business Gate Circle. Business Gate are Business Developers, who connect and help clients for trading & franchising, financing and to open doors for strategic partners connecting UAE and other countries. “Recognizing and harnessing women's strengths will not only enhance individual women's lives but also revolutionize our society and our world”, says Laila Rahhall.

She stands front to support all women through her Business Gate Talks, BOSS Talks, Women Seminar, Panel Talks on Empowerment etc... She possesses a powerful combination of expert knowledge and innate leadership abilities. Her professionalism and perfectionism is always motivating. She is the Brand Ambassador for Art4you gallery. She support art scene in UAE and encourage artists.

H.E Laila Rahhall is a powerhouse woman weighed down by the challenges of her career and personal life. Going it alone is tough, but you don't have to. But she made a diverse community of like-minded women on a journey to fulfilment, success and happiness. She is the President and Founder of Women Business Circle. At WBC, she believes that success and happiness can coexist. And everything is made of love. Connecting with other women who are breaking barriers, leading with joy, and creating their own paths to happiness is her basic mission. H.E Laila Rahhall is a global leader and blessed with intellect, character and humility. She invites all women to her community and discover how to thrive, not just survive, on the road to success.
